ONEIDA TOWNSHIP WILL NO LONGER MAINTAIN RECYCLING BINS

The Oneida Township Supervisors were informed in January that the County will no longer pay for the recycling bins that are contracted with Park's Garbage , Inc. The County wanted the township to take over the payment at an annual cost of \$3250. At the February Supervisors' meeting it was discussed and the Supervisors' voted to NOT maintain the recycling bins. Part of the reason was financial, part was due the misuse of the bins by the public. At this time we are unsure when the bins will be gone, but there will still be bins at the Huntingdon County Fairgrounds in Smithfield.
