

ROAD PROJECTS IN ONEIDA TOWNSHIP FOR 2017

There have been, and are, several road projects Oneida Township has been working on for the past several years. Back in 2013 when we had the storm in March that took out part of Kyper Road we received money from PEMA/FEMA to repair it and Blair Road as well. As you know, Kyper Road was repaired. Blair Road needed permitting from DEP before it could be repaired because we wanted to put in a culvert to keep the road from flooding out. We finally received the permit this past spring and the culvert was put into place. Now we are able to finish Blair Road with DSA (Driving Surface Aggregate) for which we will be reimbursed from a Dirt and Gravel grant from Soil Conservation. Also on the agenda is repairing Frazier Crest for which we applied for a loan from PennDot known as a PIB loan. We received word in June that DECD, the Department of Economic and Community Development, which oversees township finances, gave the go ahead for the loan, which then went to PennDot for final review and approval. We are still waiting for that to be confirmed. Finally, we are repaving Prendergast Extension with Liquid Fuels money, that is money we receive from PennDot to maintain our roads. This is an annual payment that comes from the gas taxes paid at the pump. The amount we received this year was \$52,077.74. New Enterprise Stone and Lime Company, Inc. will be doing the work on Prendergast Extension for \$43,829.70.

Putting in the culvert on Blair Road.

ELECTION DAY

NOVEMBER 7, 2017

7 am to 8 pm

@ the Fire Hall

TOWNSHIP OFFICE
WILL BE CLOSED

Oneida Township
PO Box 406
Huntingdon, PA 16652

Prendergast Extension and Frazier Crest.

Oneida Township hopes to have these roads repaved by the end of the year.

DON'T FORGET IT'S SNOWPLOWING TIME

It's not an easy job, so let's do all we can to make it easier.

Let's keep the roadways clear for plowing.

Remember it is illegal to plow onto municipal roads.

If you are plowing around mailboxes at the end of your driveway, keep it to the right so it doesn't get plowed back into your yard.

Smiles and thanks go a long way!!!!

RECYCLING: PLEASE READ THE SIGN

ALL PLASTIC DOES NOT GET RECYCLED.

NO VINYL OR STYROFOAM.
